

Pool Stick Buying Guide

Select Download Format:

When Regency's top business group, which makes and sells its own brand of pool sticks, decided to launch its own brand of pool sticks, it was a bold move. The company, which has been in the pool stick business for over 50 years, decided to launch its own brand of pool sticks, which would be sold at a lower price than the competition. This move was a significant risk, but it paid off. The company's sales increased significantly, and it became a major player in the pool stick market.
